Remarks

PRIVATE WATERFRONT OASIS in one of Siesta Key's most cherished neighborhoods. A circular drive and three-car garage welcome you to your 4/5 bedroom (all en suite), 5 full baths, office, and kitchen/family room combo overlooking the saltwater pool. The large, first floor owners' suite features a recently updated bathroom with soaking tub, and walk-in closet on the first floor. One of the additional bedrooms is a private guest suite with its own fridge, sink, and coffee bar. The outdoor pool area is very private and complete with a waterfall, large paver deck, an outdoor kitchen and screened dining area, and a short walk to your private dock and boat lift. The close proximity to the open waters of the intercoastal means "no bridges" to the bay, just minutes to the Gulf, and smooth sailing back to your protected dock that includes water and electric. This custom-built home has been reinforced with the highest-grade glass doors and windows, and a heavy duty generator so you can rest easy, regardless. Come see if this retreat is for you.
